**Subject:** Dimock -  
Lady and Gents-

Any interest in helping out at Dimock between now and February 24th? We think that we are going to be done with sampling by the middle of the week of Feb 13th, but most likely there will be 'things' still going on here. Charlie - Rich had said that you had said you were interested in helping out at some point.

We need a bit more OSC coverage - help!

thanks! Ann
